Commission rate to Shanbhogues of Chickballapur Municipality for collection of Khatharfa Taxes

Sir,

In forwarding herewith a copy of the resolution of the Municipal council Chickaballapur passed in their meeting on 2-6-44 in the matter of enhancing the rate of remuneration payable to the Shanbhogues employed by the municipality, I have the honour to state that the municipal jurisdiction extends over a couple of villages adjoining the town and that one Shanbhogue for each of the 3 divisions is doing the collection work of Khatharfa

The demand per year is Rs 14600/- and these Shanbhogues are being paid a commission of 5% on the amount actually collected in each Division It is reported that this rate was fixed along time ago as per G O No I 40 C-1 11 32-20-7 dated 5-12-1905 and that conditions of life have now changed, the Municipal council have decided to enhance the rate of commision to 7% and the President has reported that as they have been doing good work in collecting all the arrears leaving a small balance of Rs 27/- at the end of June 44 against the total demand of Rs 14600, their case deserves consideration

The extra cost involved is about Rs 207/- per year if it is proposed, as resolved by the municipal council, to enhance the rate from 1-7-44, meeting the extra cost from the surplus closing balance In view of the higher rate of Kotini allowed recently to the village officials, the rate now proposed by the municipal council is reasonable I request you to be so good as to obtain sanction of Government to the resolution of the council referred above, under Rule 3 2 (c) of the Rules

I have the honour to be,
Sir,
Your most obedient servant,

for Deputy Commissioner,
Kolar District
(Absent from Headquarters)
